Executive Vice President  
Operations Research Incorporated  
8605 Cameron Street  
Silver Spring, Maryland

Dear Mr. Bicknell:

On behalf of Mr. Dulles, I should like to acknowledge and thank you for your letter of 16 June and the enclosed brochure, "An Introduction to Operations Research Incorporated."

We have circulated the brochure around to some of our people here who have read it with much interest. However, there appears to be no need for the services of your research staff at this time. Should something develop in this particular field for which your company might be considered, we shall be pleased to get in touch with you.

Your courtesy in writing to us about this matter is indeed appreciated.

Sincerely,

OPERATIONS RESEARCH INCORPORATED

8605 CAMERON STREET  
SILVER SPRING, MARYLAND  
16 June 1959

Mr. Alan Dulles, Director  
Central Intelligence Agency  
2430 E Street, North West  
Washington 25, D. C.

Dear Mr. Dulles:

We are enclosing our Research Staff brochure which outlines our areas of interest, lists our contract experience, and presents biographies of our staff.

We have a TOP SECRET facility clearance issued 1 July 1957 by the Inspector of Naval Material, Baltimore. All our senior staff hold current TOP SECRET clearance and the rest of the staff either have, or are in the process of being granted, SECRET clearances.

We would like an opportunity for our President and Technical Director to visit you to discuss the possible application of our scientific skills to the mission of CIA. With this in mind, I am submitting visit requests for Dr. Emory Cook and myself to visit your agency.

We would appreciate an opportunity to meet you personally.

Sincerely,

OPERATIONS RESEARCH INCORPORATED
